No. 10-1/C&M/2017

Dated: 19 February, 2019.

To

The Chief General Manager,  
All Telecom Circles.

**Sub: 5G Training for BSNL Staff.**

Kindly recall the discussions held & the presentation given by CGMT, Maharashtra, during the brain storming session of HoCC conducted on 5<sup>th</sup> & 6<sup>th</sup> Feb, 2019, regarding the online training programs on 5G technology. The experience shared by the Maharashtra Circle was based on the PoC done on the some courses of 5G Technology offered by M/s 5G-Courses.com through online mode. The feedback shared regarding the course contents and the platform was very good.

Being a leading Telecom Company, BSNL has to be ready with future technologies. As 5G is the technology which will completely transform the communication field in coming days, it was felt that these courses may be offered to BSNL teams in all Circles.

It is therefore, requested that Circles may start utilizing such on-line certification programs for 5G technology for their selected officers.

(Shubha N. Bhambhani)  
Principal General Manager(C&M)
