Subject: Additional Internet facility to BSNL employees through CAPEX based BSNL Wifi Hotspot and Mobile offload project(4G Plus)-reg.

The Wi-Fi Hotspot service is functional in BSNL CO premises. Additional internet facility can be availed by BSNL employees through CAPEX based BSNL Wifi Hotspot and Mobile offload project (4G Plus) in BSNL CO. The designation-wise maximum daily data usage matrix is given below:

S. No	Designation	Maximum download data/day	Maximum upload data/day	Maximum speed beyond prescribed per day data down load limit.
1.	General Manager and above	1GB	600 MB	128 Kbps
2.	DGM/Addl.GM/Jt.GM	750 MB	400 MB	128Kbps
3.	Below DGM (upto JTO/ JAO) level	500 MB	200MB	128 Kbps

2..In order to avail the above internet facility, following procedure is to be followed:

- Service connections of employees as per the above matrix are required to be registered under Wi Fi Hot spot core.
- Unit heads may submit the details of their staff to the CIT [Corporate -IT] section for registration.
- CIT section shall co-ordinate with BBNW circle and ensure completion of registration of service connections, monitoring of proper integration of connection with Wifi Hotspot core and also limiting daily data usage as per above designated matrix.
- Employee-wise monthly usage report may be issued by the CIT section and circulated to concern unit head to monitor monthly usage of their staff.

This has the approval of the Competent Authority.
