**Sub: - Updating data of BSNL absorbed DGM- preparatory work for promotion-reg.**

While processing the DPC, it is observed that there is a lot of data mismatch in ERP vis-à-vis to actual (such as designation/grade/cadre etc.). Such erroneous data cannot be relied upon and every time this office refer the issue to circle for providing the actual data which entail lots of time and manpower.

In this context, a list of BSNL absorbed DGMs (adhoc/regular) has been prepared based on ERP data and is enclosed herewith. Circles are requested to go through this list and identify the executives who are not supposed to be in the said list but included due to their incorrect data entry in ERP, if any and accordingly furnish their actual designation, substantive grade/cadre to this office through FAX/e-mail **before 11.06.2018**. This may further be updated in the ERP. Further, the details of executives who are working as DGM (adhoc/regular) and their names not appearing in the said list, may also be furnished.

This issues with the approval of the competent authority.

**Encls:- List as above.**
