BSNL.

Subject:- Look after arrangement by executives availing higher scales of pay in
EE(E) grade- qualification clarification reg.

The references have been received in Corporate Office stating that some of the SDEs (E), not having requisite qualification as stipulated in BSNL MSRRs 2009, are being given "Look after arrangement to the grade of Executive Engineer (Elect) by Circles.

In this regard, I am directed to say that the Pers. Section has clarified that:

"under the available scope for promotion/entitlements, the executives who do not fulfill the basic requirements of promotion or those who are not at all eligible for promotion to a grade, should not be considered for giving the charge of higher posts through look after arrangement with functional powers. The look after arrangement cannot go against the basic criteria of RRs".
