Subject: Abnormal delay in releasing the decision of the Government on the Report of Second Pay Revision Committee for the Executives of CPSUs - Request for kind intervention.

Hon'ble Sir,

The Second Pay Revision Committee for the Executives of CPSUs submitted its Report long back. All the Executives of the CPSUs are anxiously waiting for the decisions of the Government on those recommendations, so that they get the desired benefits. They are also expecting some improvements in the Report. You may kindly appreciate the anxiety and concern of the Executives, since the previous pay revision was implemented more than ten years back. There is serious erosion of their pay and other benefits because of high inflation. They are naturally expecting some relief on implementation of the recommendations. But the delay in announcement of the Government decision is causing frustration in them. Moreover, the CPSUs are all likely to take their own time to implement the recommendations. Thus, their anxiety is not unfounded.

2. In view of the above, **we earnestly request you to kindly intervene in the matter so that the decision of the Government on the recommendations of the Second Pay Revision Committee is announced at the earliest.**

With kind regards,

Yours sincerely,

(V.P.Arya)
General Secretary
